

Greetings from the Woodward-Granger Foundation!

It's hard to believe that this year is coming to a close & what a year it has been!

While many things looked different in 2020, thanks to our generous donors the Foundation was still able to:

Help teachers purchase items to enrich their classroom teaching experience through staff grants.

Award student scholarships to Woodward-Granger High School graduates.

Help support organizations who provided lunches to those that depend on them during the school closure.

Also as we looked back on our Take-a-Seat campaign to remodel the auditorium, we were really excited to thank those that contributed with the completion of our Donor Wall. Unfortunately, school closed shortly after its unveiling. Hopefully one day soon everyone will be filling the auditorium to hear our amazing students sing, play, act, and participate in a variety of activities. Please think of all those that gave to our campaign as you walk by the donor wall or sit in the comfy new chairs.

While we understand it has been a trialing year, we would love to have your name or a loved one's name up on our donor wall or on the remaining auditorium seats. Help us continue to provide our students and teachers with grants and scholarships that enrich the learning experience and fund projects that improve our great school district. Your contributions are vitally important in allowing us to fulfill these goals and we thank you for your support.
