TAKE-A-SEAT!

The best seat in the house has your name on it!

The W-G Middle School and High School auditorium holds an important place in our community. Milestones are celebrated, music is made, amazing performances and learning happens here. It's a place where lifelong memories are made and families come together. As we update our auditorium, aging auditorium seats are due to be refreshed. Our new W-G Show Choir, Middle School musical cast, growing bands, choirs, drama and speech teams need a great place to perform!

Take-A-Seat in style by making a tax deductible contribution today!
